

## Death to the Westlands' Traitor!

In Book 6, of *The Tower of the Cin Trilogy*, **Thaddeus the Faithless**, Thaddeus has regained his Powers of Sorcery from the *Inferna*. But the Dark Prince of the Cin has other plans—to blame Thaddeus for the murders of the Imperial family allowing Soh-Nahk to seize the Throne. Now the Westlands' Apprentice must flee the East as all Cin turns against him.

The *Aelvae* assist Thaddeus, their *Amicus Faerrarum*, in reaching the Golden Sea. But his deception is discovered and he is doggedly pursued by the Cinnian Navy. All, then, is left to the Mauresian Ships of the Red Dove to race to intercept the Imperial Fleet.

Once home, will Thaddeus' heroic deed be worth the cost of public disgrace and absolute expulsion he is sure to face?

- Should Thaddeus risk the lives of his Ancient Master and Brother Apprentice in order to make good his escape?
- Should Thaddeus sign a covenant with a Daemon, whose only avowed purpose is to conquer and enslave all humanity, simply to increase Thaddeus' own power?
- Should Thaddeus return the Tower of the Cin to its rightful place in the Eastlands, no matter the cost?
- Should Thaddeus hazard facing the Council of Deeds whose only agenda is to try him for blasphemy?
- Should Thaddeus accept the penance of twelve solitary years as pay for the Westlands hegemony?

In Louis Sauvain's epic fantasy series, *The College of Sorcerers Collection*, the adventure begins with Book 1: **Thaddeus of Beewicke**, and Thaddeus' danger-laden journey to the School of Sorcery. In Book 2: **Thaddeus and the Master**, the young Apprentices discover the secret of the College's evil Master. In Book 3: **Thaddeus and the Daemon**, Thaddeus must face the Dark Sorcerer and his Daemon Lord, alone.

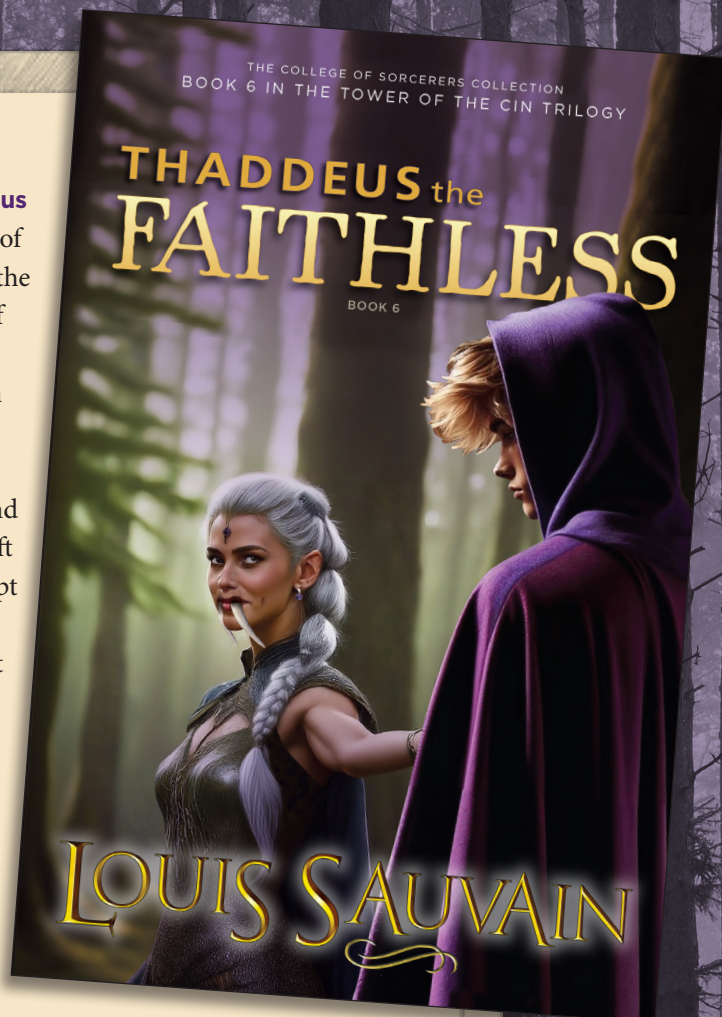

In the second trilogy, *The Tower of the Cin*, Book 4: **Thaddeus and the Ancient One**, Thaddeus begins his desperate quest to the Eastlands for the Powers severed from him. In Book 5: **Thaddeus and the Emperor**, Thaddeus regains his Sorcery in the *Inferna*, but the Dark Prince seeks his head and Thaddeus must flee with all of Cin turned against him. The adventure continues in Book 6: **Thaddeus the Faithless**, due out Spring 2025.

Sauvain's strength prevails, creating a page-turner of strong and vigorous cast of characters for fantasy superfans. —Kirkus Indie

Multiple award-winning Epic Fantasy author, Louis Sauvain continues the Sorcery-wielding high adventures of the international best-selling *The College of Sorcerers Collection* begun in Book 1: **Thaddeus of Beewicke**, Book 2: **Thaddeus and the Master**, Book 3: **Thaddeus and the Daemon** and continuing in Book 4: **Thaddeus and the Ancient One**, Book 5: **Thaddeus and the Emperor** and Book 6: **Thaddeus the Faithless**, with the concluding trilogy launching with Book 7: **Thaddeus in Leaguer**, in Fall 2025.
